

Vacancy SAS Programmer

This is an excellent opportunity to join a prestigious SAS consultancy with a powerful and successful consultancy base. As a SAS Programmer you will join existing teams undertaking a variety of interesting client projects. Next to the role of SAS Programmer you may be requested to undertake the role of technical team lead or perform the role of quality assurance. Activities are undertaken at the clients' offices or at OCS' office in 's-Hertogenbosch, the Netherlands. A combination of both is possible—always in agreement with the client.

Why join us?

OCS Consulting is a successful IT consultancy specialised in the use of SAS software operating mainly in the Life Science, Finance, Retail and Government industry. We continuously invest in the quality, flexibility and creativity of our company and our people so that we continue to contribute to the success of our clients. The breadth and depth of our team's experience and expertise ensures we are uniquely qualified to make a difference and help our clients to maximise their investment in SAS software. Key for the way we work is our creativity that allows us to do more with the available resources.

Your profile

You have sound knowledge of the SAS programming language. You know what it means to work in a standardised environment and are aware of the importance of quality. You are able to deliver within the expected timeframe. Furthermore you know how to adapt to your working environment: formal when required, informal when possible.

In addition, you:

- hold a Bachelor or Master degree in IT or sufficient experienced with IT
- bring at least five years of experience with the SAS programming language
- have a good understanding of business processes and information flows
- have the capacity to act as a (technical) team lead
- are professionally proficient in the English language, both spoken and written
- have an enthusiastic and motivated personality
- have an independent and pro-active attitude

In return we offer

Our employees are vital to our success and we aim to attract the best people who will stay and grow with us. In return you will be rewarded with the chance to work for the leading companies in their industry. To ensure you are well equipped for the task, we offer you the required training and exposure to experienced and motivated colleagues who can teach you the tricks of the trade. You will receive an attractive salary package reflecting your expertise, including benefits such as a car/travel allowance, 28 holidays and holiday pay (8%), and participation in the company pension scheme.

Apply

If you feel you have what it takes to add value to our experienced team, if you want to thrive in a challenging environment of collaboration and flexibility, if you are eager to learn new skills to achieve your full potential and if you are a team player, then OCS Consulting is the right company for you!
