

## Vacancy Senior Biostatistician

OCS Consulting is currently looking for a Senior Biostatistician to join its expanding team. If you're passionate about providing the statistical input into clinical and pre-clinical trial development, performing the analysis of clinical trial data, providing statistical input into the reporting of clinical trial results and would like to join a leader in consulting and SAS on the Dutch market please read on...

### Why join us?

OCS Consulting is a successful IT consultancy specialised in the use of SAS software operating mainly in the Life Science, Finance, Retail and Government industry. We continuously invest in the quality, flexibility and creativity of our company and our people so that we continue to contribute to the success of our clients. The breadth and depth of our team's experience and expertise ensures we are uniquely qualified to make a difference and help our clients to maximise their investment in SAS software. Key for the way we work is our creativity that allows us to do more with the available resources.

### Your profile

You have familiarity with moderately complex statistical methods that apply to clinical and pre-clinical and have a working knowledge of SAS Base and SAS Macro. You know what it means to work in a regulated environment and are aware of the importance of quality. You are able to deliver within the expected timeframe. Furthermore you know how to adapt to your working environment: formal when required, informal when possible.

In addition, you:

- hold a Master degree in biostatistics or related field
- bring at least three years of relevant working experience
- have experience with working in a regulated environment
- have strong working knowledge of SAS software
- have are at least SAS Clinical Trials certified, or the willingness to obtain the certificate
- are professionally proficient in the English language, both spoken and written
- have an enthusiastic and motivated personality
- have an independent and pro-active attitude
- have preferably experience with CDISC

### In return we offer

Our employees are vital to our success and we aim to attract the best people who will stay and grow with us. In return you will be rewarded with the chance to work for the leading companies in their industry. To ensure you are well equipped for the task, we offer you the required training and exposure to experienced and motivated colleagues who can teach you the tricks of the trade. You will receive an attractive salary package reflecting your expertise, including benefits such as a car/travel allowance, 28 holidays and holiday pay (8%), and participation in the company pension scheme.

### Apply

If you feel you have what it takes to add value to our experienced team, if you want to thrive in a challenging environment of collaboration and flexibility, if you are eager to learn new skills to achieve your full potential and if you are a team player, then OCS Consulting is the right company for you!
