

Vacancy Clinical Data Manager

OCS Consulting is currently looking for a Clinical Data Manager to join its expanding team. If you're passionate about data management of (clinical) trials and would like to join a leader in consulting and SAS on the Dutch market please read on...

Why join us?

OCS Consulting is a successful IT consultancy specialised in the use of SAS software operating mainly in the Life Science, Finance, Retail and Government industry. We continuously invest in the quality, flexibility and creativity of our company and our people so that we continue to contribute to the success of our clients. The breadth and depth of our team's experience and expertise ensures we are uniquely qualified to make a difference and help our clients to maximise their investment in SAS software. Key for the way we work is our creativity that allows us to do more with the available resources.

Your profile

Your activities will consist of providing timely and professional ongoing management of clinical trial data of phase I, II, III and IV (clinical) trials. Our clients are active in the life sciences sector, e.g. pharmaceuticals, nutrition and medical devices. Activities are undertaken at the clients' offices or at OCS' office in 's-Hertogenbosch, the Netherlands. A combination of both is possible—always in agreement with the client.

In addition, you:

- hold an academic degree in a scientific or technical
- have experience in clinical data management
- have experience with Clintrial, or a similar clinical data management system
- have preferable experience with CDISC/CDASH
- have preferable experience with SAS or similar software
- demonstrate the ability to take initiatives, work independently and precise
- are fluent in English, both spoken and written
- have an enthusiastic and motivated personality
- have an independent and pro-active attitude
- have excellent communications skills and ability to work within a multidisciplinary project team

In return we offer

Our employees are vital to our success and we aim to attract the best people who will stay and grow with us. In return you will be rewarded with the chance to work for the leading companies in their industry. To ensure you are well equipped for the task, we offer you the required training and exposure to experienced and motivated colleagues who can teach you the tricks of the trade. You will receive an attractive salary package reflecting your expertise, including benefits such as a car/travel allowance, 28 holidays and holiday pay (8%), and participation in the company pension scheme.

Apply

If you feel you have what it takes to add value to our experienced team, if you want to thrive in a challenging environment of collaboration and flexibility, if you are eager to learn new skills to achieve your full potential and if you are a team player, then OCS Consulting is the right company for you!
